temples buried in the sand. It is also prayed that the repairs to these temples be carried out early as per Government Proceedings.

Reply of Government.—It is not possible to make over the income from the trees to the temples. The question of repairing them is under consideration.

SUBJECT No. 382.

Increase of pay to servants and Tasdik amounts of Honnadevi temple.

Mr. Siva Basavadevaru, Land-holder Talkad, T.-Narsipur Taluk.

Summary of discussion.—The jewels of Honnadevi-ammanavaru and Veerabhadraswami of Sosale and of Mallikarjunaswami at Ukkalgere were sold by public auction and the amount of Rs. 32,485-8-7 realized therefrom is said to have been credited to the Muzrai Funds as can be seen from the *Mysore Gazette* of 13th April 1893. Representations were made in the previous Assemblies and to the Muzrai Department to increase the pay of these temple servants and also the Tasdik amounts. Though ten or twelve years have elapsed, nothing has as yet been done. It is therefore prayed that these grievances may be redressed early.

Reply of Government.—The matter will be attended to very early. The Deputy Commissioner will be asked to enquire as to which of the articles now in stock may be sold, and submit a report. Tasdik may be increased if funds are forthcoming.

A separate building for Madhavarayaswami temple.

Mr. Siva Basavadevaru, Landholder, Talkad, T.-Narsipur Taluk.

Reply of Government. - In Government Order No. 1551, dated 20th September 1905, it has been ordered that as no private contributions towards half the cost of repair were forthcoming, nothing could be done in the matter.

SUBJECT No. 384.

Repairs to and management of the Basaveswaraswami temple at Hadya, Yedatore Taluk.

Mr. Madappa of Mysore Taluk.

Summary of discussion.—The roof of the temple of Basaveswaraswami in the Hadya village, Yedatore Taluk, Mysore District, being a tiled one, has come down, exposing the idol to sun and rain. A sum of Rs. 15,000, the proceeds of the Inam lands endowed to the temple, is at the credit of the said temple. Mr. A. Sreenivasacharlu, the late Muzrai Secretary, had an estimate prepared to make the building a terraced one at a cost of Rs. 1,115. In accordance with that estimate and as per orders issued at the meeting last year, it is requested that the building may be terraced early and the Inam lands now under Government management made over to the temple pujari after the completion of the repairs, the temple being left in the hands of the Dharmadarsis for the regular performance of the puja.
